

GRADE 培训日程表

第 1 天	Title 题目/ Objectives 目的	Format 形式
09.00-09.30	Introduction to Guideline Development and GRADE in the context of Evidence Based Medicine 结合循证医学介绍“指南制定”和 GRADE	Large group lecture with discussion 授课与讨论
	Provide information about the international context, importance of systematic approaches 提供国际背景资料，介绍系统方法的重要意义	
09.30-09.45	Break 茶休	
09.45	Defining the scope and formulating healthcare questions 界定题目范围和构思医疗问题	Large group 授课
	Understand the strategies for prioritizing topics in guidelines and appropriate ways to address them 指南中优先话题的选择策略及妥当的应对方法	
10.15	Formulating healthcare questions 构思医疗问题	Small group – hands on 小组
	Understand PICO, choose outcomes and consider resource implications using real life examples 综合考虑有限资源的情况下，了解 PICO 和选择结局指标、	
11.15	Break 茶休	
11.30	Assessing the quality/strength of evidence 评估证据的质量/力度	Large group with discussion 授课与讨论
	Understand the approaches and conceptual underpinnings used to assess the quality of evidence 了解用于评估证据质量的方法和基本概念 - Therapeutic and diagnostic questions - 治疗和诊断问题	
13.00	Break 午休	
14.00	Exercises: Assessing the quality/strength of evidence 练习：评估证据质量/力度	Small group session with software use 小组软件操作练习
	Finalizing the scope and question 最终确定问题及其范围 Practical exercise assessing the quality of evidence 评估证据质量的实践练习	
16.00-17.00	Q & A	

第 2 天	Title 题目 / Objectives 目的	Format 形式
9.00	Assessing the quality/strength of evidence 评估证据质量/力度	Small group session with software use 小组软件操作练习
	Complete a Summary of Findings (SoF) table or evidence profile 完成《结果汇总 (SoF)》表或证据概括 (use own examples if applicable) (酌情使用自己的范例)	
10.30	Moving from evidence to recommendations 从证据转化成推荐	Large group lecture with discussion 授课与讨论
	Understand the key criteria when moving from evidence to recommendations including resource implications, values and preferences and the balance of benefits and downsides 了解从证据转化成推荐的关键标准，包括资源的涵义、价值、偏好及利弊权衡	
11.30	Evidence to Recommendation Framework: GRADE & DECIDE 证据到推荐的框架：GRADE 和 DECIDE	Small group – hands on 小组
	Workshop exercise: Evidence to Recommendations Framework 研讨练习：证据到推荐的框架 (use own examples if applicable) (酌情使用自己的范例)	
13.00	Break 午休	
14.00	Making recommendations: Guideline Simulation 推荐建议：指南模拟	Small groups: Guideline panel simulation exercise 小组：指南小组模拟练习
	Apply the key criteria when moving from evidence to recommendations 从证据转化成推荐的关键标准的应用练习 (use own examples if applicable) (酌情使用自己的范例)	
16.00	Wrap up, feedback and final discussion 闭会、反馈及最终讨论	Large group session 大组讨论会
	Groups present their work 各小组上交作业	
17.00	End of day 结束
